INDEPENDENT AUDITORS' REPORT

To The Board of Trustees Autism New Jersey, Inc. and Affiliate Robbinsville, New Jersey

Report on the Financial Statements

We have audited the accompanying financial statements of Autism New Jersey, Inc. and Affiliate, which comprise the statements of financial position as of September 30, 2014 and 2013, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above presents fairly, in all material respects, the financial position of Autism New Jersey, Inc. and Affiliate as of September 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of State Awards as required by State of New Jersey Circular 04-04, Single Audit Policy For Recipients of State Grants is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated January 9, 2015 on our consideration of Autism New Jersey, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Autism New Jersey, Inc.'s internal control over financial reporting and compliance.

Note 1 Nature of Organization

Autism New Jersey, Inc. ("ANJ") was incorporated to assist families, individuals and agencies concerned with the welfare and education of children and adults with autism. Funding for ANJ is derived from contributions and State of New Jersey contracts. ANJ provides a variety of programs including information and advocacy, parent and professional education and support services, which promote the general well-being of individuals with autism living in New Jersey.

Autism New Jersey Charitable Foundation, Inc. is an affiliated organization formed during 2005 to promote the interests of people with autism exclusively by raising funds on behalf of and distributing funds to ANJ. These entities are collectively referred to as the "Organization" for the year ended September 30, 2013.

Effected on September 13, 2013, by written consent of all its members entitled to vote thereon, Autism New Jersey Charitable Foundation, Inc. elected to dissolve. A Plan of Dissolution was duly adopted by the Corporation on September 25, 2013. All assets of the Corporation have been fairly applied, to the extent possible, to pay the liabilities. The Certificate of Dissolution was filed and recorded with the State of New Jersey on October 15, 2013. The remaining assets of \$826,442 were transferred over to ANJ by September 30, 2013.

Note 2 Summary of Significant Accounting Policies

Principles of Consolidation

The consolidated financial statements for the year ended September 30, 2013 include accounts of Autism New Jersey, Inc. and Affiliate (Autism New Jersey Charitable Foundation, Inc.), which have been consolidated. All inter-company accounts and transactions have been eliminated in consolidation.

Basis of Accounting

The accompanying financial statements of ANJ have been prepared using the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America ("GAAP") as applicable to not-for-profit entities.

Basis of Presentation

The financial statement presentation follows the requirements of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 958, Financial Statements of Not-For-Profit Organizations. Under ASC 958, ANJ is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. ANJ has no permanently restricted net assets, and its unrestricted net assets represent resources over which the board of trustees has discretionary control to use for operations, and are not subject to donor composed restrictions.

Note 2 Summary of Significant Accounting Policies (cont'd)

Cash and Cash Equivalents

For purposes of the statement of cash flows, ANJ considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Investments

Investments are reported at fair value. ASC 820, Fair Value Measurements, provides a framework for measuring fair value under GAAP, and applies to all financial instruments that are being measured and reported on a fair value basis.

ASC 820 sets out a fair value hierarchy and defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Fair value hierarchy is defined as follows:

<u>Level 1</u>: Inputs that reflect unadjusted quoted market prices in active markets for identical assets or liabilities that the Association has the ability to access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, including inputs in markets that are not considered to be active.

Level 3: Inputs that are unobservable for the asset or liability and that include situations where there is little, if any, market activity for the asset or liability. The inputs into the determination of fair value are based upon the best information in the circumstances and may require significant management judgment or estimates.

Realized and unrealized gains and losses are included in investment income in the statements of activities and changes in net assets. Purchases and sales of securities are recorded on a trade-date basis. In calculating realized gains and losses, the cost of securities sold is determined by the specific-identification method. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Investments are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect investment assets reported in the Statements of Financial Position.

Note 2 Summary of Significant Accounting Policies (cont'd)

Property and Equipment:

Property and equipment is recorded at cost. Depreciation is being provided for over the estimated useful lives of the assets of five to forty years utilizing the straight-line method.

Maintenance and repairs are charged to operations when incurred. Expenditures that substantially increase estimated useful lives are capitalized. When property and equipment is sold or otherwise disposed of, the asset accounts and related accumulated depreciation account is relieved and any gain or loss is included in the statements of activities and changes in net assets.

Contributed property and equipment is recorded at fair value at the date of donation. When donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support.

Allowance for Doubtful Accounts:

ANJ reviews the collectibility of its receivables annually. At September 30, 2014 and 2013, no allowance for doubtful accounts was deemed necessary.

Revenue and Support Recognition:

In accordance with ASC 958, Financial Statements of Not-For-Profit Organizations, ANJ reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities and changes in net assets as net assets released from restrictions. However, restricted contributions whose restrictions expire or are otherwise satisfied within the period of receipt are reported as unrestricted revenues in the statements of activities and changes in net assets.

Contributions, including unconditional promises to give, are recorded when made at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated cash flows, discounted at a rate commensurate with the risks involved. Amortization of the discount is included as an offset against contributions revenue.

Note 2 Summary of Significant Accounting Policies (cont'd)

Revenue and Support Recognition (cont'd)

Conference fees, community events, membership dues and program fees are recognized during the period in which they are earned. Conference fees, community events, membership dues and program fees received in advance are deferred until earned and reflected as deferred revenue in the statement of financial position.

Contributions of donated noncash assets to be used to raise funds at the annual auction are recorded at their fair values in the period received. These items are donated and then sold at the annual auction, and the proceeds of this auction in excess of the fair value previously recorded are included in special events in the statements of activities and changes in net assets. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation are recorded at their fair values in the period received. During the years ended September 30, 2014 and 2013, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded.

Revenue from the Federal grant is recorded when expenditures are incurred and are billable to the government. The State grant is a monthly electronic funds transfer, which is paid in twelve increments.

Allocation of Expenses:

Expenses are allocated between program services, management and general, and fundraising based on historical percentages using the direct cost method, or other reasonable basis consistent with the benefit derived.

Income Taxes:

The Internal Revenue Service ("IRS) has determined that the Organization is exempt from federal income tax under Section 501(c)(3) of the United States Internal Revenue Code (the "Code") and from state and local income taxes under comparable laws. As a not-for-profit entity, the Organization is subject to unrelated business income tax ("UBIT"), if applicable. For the tax years ended September 30, 2014 and 2013, the Organization did not owe any UBIT.

Management has evaluated the Organization's tax positions for all open tax years and has concluded that the Organization had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of GAAP. Generally, the Organization is no longer subject to income tax examinations by U.S. Federal, State or Local tax authorities for years before 2010, which is the standard statute of limitations look-back period.

Note 2 Summary of Significant Accounting Policies (cont'd)

Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Advertising:

Advertising costs for the years ended September 30, 2014 and 2013 amounted to \$21,980 and \$3,672, respectively, and were expensed as incurred.

Concentration of Market and Credit Risks:

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash and cash equivalents and investments.

The Organization maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Organization has not experienced any credit risk-related losses. In order to control market risk, the Organization has an investment committee that oversees its investment portfolio and performs an ongoing evaluation of its investment manager. In the fiscal years ended September 30, 2014 and 2013, approximately 100% the Organization's investments were held by one investment manager.

Subsequent Events:

ANJ evaluated subsequent events occurring after the date of the financial statements to consider whether or not the impact of such events needs to be reflected and/or disclosed in the financial statements. Such evaluation is performed through January 9, 2015, the date the financial statements were available for issuance.

Note 3 Investments

The following table summarize the Organization's investments measured at fair value on a recurring basis segregated by the level of valuation inputs within the fair value hierarchy utilized to measure fair value as of September 30, 2014 and 2013:

Note 3 Investments		Fair V	2014 <u>Value Measurements U</u>	sing
<u>Description</u>	<u>Fair Value</u>	Quoted Prices in Active Markets for Identical <u>Assets (Level 1)</u>	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Equities Equity Funds Intermediate-term Bond Fund	\$ 345,345 130,560 <u>579,519</u> <u>\$1,055,424</u>	\$ 345,345 - <u>\$ 345,345</u>	\$ 130,560 579,519 \$ 710,079	\$ \$
		Fair Va	2013 (Consolidat Lue Measurements Usi	

<u>Description</u>	<u>Fair Value</u>	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Equities	\$ 259,10	\$ 259,103	\$ -	\$
Equity Funds	113,03	8 -	113,038	_
Intermediate-term Bond Fund	461,83	<u> </u>	<u>461,836</u>	
	<u>\$ 833,97</u>	<u>5 259,103</u>	<u>\$ 574,874</u>	<u>\$ </u>

Note 3 Investments (cont'd)

Investments in securities traded on a national securities exchange are stated at the last reported sales price on the day of valuation. Securities traded in the over-the-counter market and listed securities for which no sale was reported on that date are stated at the last quoted bid price. Investments in regulated investment companies or collective investment funds that do not trade on an exchange are valued at the net asset value per share/unit on the valuation date. U.S. government debt and corporate bonds are valued based on the last reported bid provided by broker-dealers. Certificates of deposit are valued using a matrix based on interest rates.

For the years ended September 30, 2014 and 2013, investment income consists of the following:

	<u>2014</u>	<u>2013</u>
Interest and Dividends Net Realized Gains Net Unrealized Gains (Losses)	\$ 21,321 11,612 46,809	\$ 25,593 20,571 21,545
Investment Income Less Investment Management Fees	79,742 (7,421)	67,709 <u>(4,469</u>)
Net Investment Income	\$ 72,321	<u>\$ 63,240</u>

Note 4 Contribution Receivable

In January 2011, the Charitable Foundation was awarded a \$50,000 unrestricted gift pledge payable over a five year period at \$10,000 per year. As of September 30, 2014 and 2013, \$37,500 and \$25,000, respectively, has been received. The Donor has stated that the remaining \$12,500 will be paid during the following years:

2015	\$ 2,500
2016	10,000
	\$12,500

The Charitable Foundation has elected not to record the remaining pledge using present value of estimated cash flows at a discounted rate. This amount has been deemed immaterial to the financial statements taken as a whole.

Note 5 Property and Equipment

On November 1, 2013, the Condominium and improvements located at 1450 Parkside Avenue in Ewing, New Jersey was sold. The contract sale price was \$87,100 and the payoff of the Mortgage Payable was \$92,776. There was also accrued interest, fees and a prepayment premium totaling \$2,812. As a result of the above and additional closing costs, ANJ paid \$14,916 at closing.

Property and equipment at September 30, 2014 and 2013 consists of the following:

Estimated Useful Life (Years)	2014	<u>2013</u>
40	\$	\$ 201,660
7	291,522	291,522
40	92	32,014
. 5	<u>81,586</u>	<u>81,586</u>
	373,108	606,782
	319,514	<u>395,701</u>
	\$ 53 594	\$ 211,081
	Useful Life (Years) 40 7 40	Useful Life (Years) 40 \$ 291,522 40 5 81,586 373,108

Note 6 Bank Line of Credit

On March 5, 2009, the Organization entered into a \$200,000 revolving line of credit with a financial institution that matured in March 2010. This line of credit was subsequently renewed through April annually upon its expiration, and was not automatically renewed in April 2013. Borrowings under this credit facility are for general operating needs of the Organization. Interest charged on the unpaid principal balance on the line of credit is at prime plus .50% with a minimum rate of 4.25%. There was an outstanding balance on the revolving line of credit of \$-0- at September 30, 2013. The line of credit was secured by a certificate of deposit that was reported as an investment restricted for line of credit on the statement of financial position.

Note 7 Mortgage Payable

The mortgage payable is secured by the condominium located at 1450 Parkside Avenue, with interest at the rate of 7.00% per annum. Monthly payments of \$1,198 of principal and interest are payable until maturity in August 2022. The condominium was sold on November 1, 2013 (See Note 5). Mortgage payable at September 30, 2013 consisted of the following:

	<u>2013</u>
Mortgage Payable	\$ 93,502
Less Current Portion	<u>8,144</u>
Mortgage Payable - Long-term	<u>\$ 85,358</u>

Note 8 Defined Contribution Plan

ANJ maintains an incentive savings Section 403(b) defined contribution plan for substantially all employees. The plan provides that eligible employees may defer payments of taxes on a portion of their salary as allowed by Section 403(b) of the Code. Participants vest immediately in their contribution. ANJ does not contribute funds to this plan.

ANJ also maintains a Simple IRA plan that covers all employees who have attained age 18 and completed one year of service with ANJ. The plan provides that eligible employees may defer payment of taxes on a portion of their salary as allowed by Section 401(k) of the Code. The employer's matching contributions are equal to 100% of the participant's elective deferrals up to 3% of the employee's eligible compensation. For the years ended September 30, 2014 and 2013, pension expense was \$17,921 and \$18,754, respectively.

Note 9 Commitments and Contingencies

In February 2010, the Organization entered into an operating lease agreement (the "lease") for new building space with monthly lease payments of \$7,926 that commenced August 1, 2010 and expires February 29, 2016. The lease is also subject to escalation clauses for taxes and other building operating expenses. The lease provides for seven months of free rent throughout the duration of the lease term. Deferred rent payable of \$2,659 and \$10,637 is the difference between the cumulative amounts recorded for occupancy costs on a straight-line basis over the term of the lease, as compared to the cumulative required amounts paid under the lease as of September 30, 2014 and 2013, respectively.

Rent expense was approximately \$85,000 and \$85,000 for the years ended September 30, 2014 and 2013, respectively. In addition, the Organization leases equipment under various noncancellable operating leases that expire on various dates through fiscal year 2015.

Future minimum payments on all noncancellable lease obligations are as follows:

Year Ending September 30,

2015	\$ 97,136
2016	<u>39,630</u>
	\$136,766

Note 9 Commitments and Contingencies (cont'd)

ANJ has received funds from the State of New Jersey that may be subject to audit by the funding sources. Such audit might result in disallowance of costs submitted for reimbursements. Management is of the opinion that such cost disallowance, if any, will not have a material effect on the accompanying financial statements for such potential claims.

ANJ has previously received funds from the State of New Jersey, Division of Developmental Disabilities ("DDD") for the purchase of certain equipment. Title to all equipment purchased in whole or in part under a DDD contract is held by ANJ. The State, however, maintains an equitable interest in this equipment. For equipment having an acquisition cost of \$5,000 or more for which the purchase price was entirely paid by DDD funds, DDD has the right to require transfer of the equipment and title to the State or to an eligible non-state party named by DDD. This transfer may occur at any time.

Note 10 Temporarily Restricted Net Assets

Temporarily restricted net assets of \$ - 0 - at September 30, 2014, are comprised of amounts that are restricted for education and time-restricted to future periods.

Note 11 Concentration of Revenue

During the year ended September 30, 2013, the Organization received approximately 2% of its support and revenues from the State of New Jersey, Departments of Human Services and the Treasury. This contract was expired on June 30, 2013. During the years ended September 30, 2014 and 2013, the Organization received approximately 23% and 20%, respectively, of its support and revenues from the State of New Jersey, Department of Children and Families. That grant was effective January 1, 2013, and will renew annually starting July 1, 2013, totaling \$450,000. Actual expenditures for the period July 1, 2013 through September 30, 2013 exceeded the portion of the grant received by \$18,463, which will be funded by the subsequent month's portion received. Any significant reduction in the level of support from the State of New Jersey, Departments of Human Services and the Treasury and Department of Children and Families could have a material adverse effect on the Organization's programs.

On January 2, 2014, ANJ was approved by the New Jersey Department of Health for a new Grant for Autism, totaling \$249,250, for the period July 1, 2013 through June 30, 2014. This contract has renewed effective July 1, 2014 through June 30, 2015 up to a total of \$250,000. During the year ended September 30, 2014, approximately 13% of its support and revenues was received from this Agency. For the years ended September 30, 2014 and 2013, the \$63,896 and \$62,313 State Grant Receivable was recorded as Government Grants on the Statement of Activities and Changes in Net Assets.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To The Board of Trustees Autism New Jersey, Inc. Robbinsville, New Jersey

We have audited the financial statements of Autism New Jersey, Inc. ("ANJ") as of and for the year ended September 30, 2014 and have issued a report thereon dated January 9, 2015. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of ANJ is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered ANJ's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of ANJ's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of ANJ's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of ANJ's financial statements will not be prevented, or detected and corrected on a timely basis

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether ANJ's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended for the information of the audit and finance committees, management and State awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Independent Auditors' Report on Compliance with Requirements Applicable That Could Have a Direct and Material Effect on Each Major Program and Internal Control over Compliance in Accordance with the State of New Jersey, Department of the Treasury, OMB Circular 04-04

To The Board of Trustees Autism New Jersey, Inc. Robbinsville, New Jersey

Compliance

We have audited the compliance of Autism New Jersey, Inc. with the types of compliance requirements described in the *New Jersey State Grants Compliance Supplement*, that could have a direct and material effect on its major state programs for the year ended September 30, 2014. ANJ's major state programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major state programs is the responsibility of Company's management. Our responsibility is to express an opinion on ANJ's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and New Jersey OMB Circular 04-04. Those standards and New Jersey OMB Circular 04-04 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal and state program occurred. An audit includes examining, on a test basis, evidence about Autism New Jersey, Inc. is in compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Autism New Jersey, Inc.'s compliance with those requirements.

In our opinion, Autism New Jersey, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major state programs for the year ended September 30, 2014. The results of our auditing procedures disclosed no instances of noncompliance with those requirements, which are required to be reported in accordance with New Jersey OMB Circular 04-04 and which are described in the accompanying schedule of findings and questioned costs.

Internal Control Over Compliance

Management of Autism New Jersey, Inc. is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to state programs. In planning and performing our audit, we considered ANJ's internal control over compliance with requirements that could have a direct and material effect on a major federal and state program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, and to test and report on internal control over compliance in accordance with New Jersey OMB Circular 04-04, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of ANJ's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of the audit and finance committees, management and state awarding agencies and pass-through entities and is not intended to be used and should not be used by anyone other than these specified parties.
