INDEPENDENT AUDITORS' REPORT

To the Board of Trustees and Management of
Autism New Jersey, Inc.

Opinion

We have audited the accompanying financial statements of Autism New Jersey, Inc. (A Nonprofit Organization), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Autism New Jersey, Inc. as of June 30, 2025, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Autism New Jersey, Inc., and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Autism New Jersey, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (cont.)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Autism New Jersey, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Autism New Jersey, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Autism New Jersey, Inc.'s 2024 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 17, 2025. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2024, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by the *Single Audit Policy for Recipients of Federal Grants, State Grants, and State Aid* in accordance with New Jersey 15-08-OMB, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedules of expenditures of federal awards and state financial assistance are fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 7, 2025, on our consideration of Autism New Jersey, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters.

Other Reporting Required by *Government Auditing Standards* (cont.)

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Autism New Jersey, Inc.'s internal control over financial reporting and compliance.

AUTISM NEW JERSEY, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2025 AND 2024

1. NATURE OF ACTIVITIES

Autism New Jersey, Inc. (the “Organization”) was incorporated to assist families, individuals and agencies concerned with the welfare and education of children and adults with autism. Funding for the Organization is derived from contributions and State of New Jersey contracts. The Organization provides a variety of programs including information and advocacy, parent and professional education and support services, which promote the general well-being of individuals with autism living in New Jersey.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting --- The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Basis of presentation --- The financial statements are prepared using guidance provided by the American Institute of Certified Public Accountants’ Audit and Accounting Guide, Nonprofit Organizations and other pronouncements applicable to not-for profit organizations.

The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) and Accounting Standards Codification (ASC) Paragraphs 958-205-45-2(a) through(d), which establishes standards for external financial reporting by nonprofit organizations and requires that resources be classified for accounting and reporting purposes into two net asset categories according to the existence or absence of donor-imposed restrictions; net assets with donor restrictions and net assets without donor restrictions.

ASC Paragraphs 958-605-45-3 through 7, *Contributions Received*, requires that unconditional promises to give be recorded as receivables and revenue and requires the Organization to distinguish between contributions received for each net asset category in accordance with donor imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed stipulations.

Net assets with donor restrictions - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Cash and cash equivalents --- For cash flow purposes, the Organization considers all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

Fair value of financial assets and liabilities --- ASC 820, Fair Value Measurements, provides a framework for measuring fair value under GAAP, and applies to all assets and liabilities that are being reported. ASC 820 sets out a fair value hierarchy and defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

AUTISM NEW JERSEY, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2025 AND 2024 (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Fair value of financial assets and liabilities (cont.) --- The fair value hierarchy is defined as follows:

Level 1 – Inputs are quoted prices (unadjusted) in active markets for identical assets and liabilities that the reporting entity has the ability to access at the measurement date. An active market for the asset or liability is a market in which transactions for the asset or liability occur with sufficient frequency and volume to provide pricing information on an ongoing basis. A quoted price in an active market provides the most reliable evidence of fair value and shall be used to measure fair value whenever available.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;

Level 3 – Inputs are unobservable inputs for the assets and liabilities. Unobservable inputs shall be used to measure fair value to the extent that the observable inputs are not available. Unobservable inputs shall be developed based on the best information available in the circumstances, which might include the reporting entity's own data.

Unless otherwise noted, the fair values of financial instruments (except investments) approximate their carrying values. As of June 30, 2025, none of the assets (except for investments) and liabilities were required to be reported at fair value on a recurring basis. Carrying values of non-derivative financial instruments, including cash approximate fair value due to the short-term nature of these financial instruments. There are no changes in methods or assumptions during the years ended June 30, 2025. The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Organization uses the income approach to reflect the fair value of unconditional promises to give. The fair value measurement reflects the current market expectations about those future amounts. The value of those promises is reduced by a discount rate adjustment to arrive at an estimate of future cash flows for the asset.

Investments --- Investments in debt securities, equities and mutual funds are measured at fair value based on market prices in the statement of financial position. Investment income or loss (including realized gains and losses on investments, interest, and dividends) is included in non-operating income in the accompanying statement of activities.

Investments, in general, are exposed to various risks such as interest rate, credit, and overall market volatility. As such, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

AUTISM NEW JERSEY, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2025 AND 2024 (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Accounts receivable --- Accounts receivable are stated at the amounts management expects to collect from outstanding balances. Annually, the Organization performs an assessment of its individual accounts and provides for probable uncollectible amounts through an allowance for doubtful accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance for doubtful accounts and a credit to accounts receivable. For the years ended June 30, 2025 and 2024, no allowances for doubtful accounts have been recognized. As of June 30, 2025 and 2024, the Organization recognized \$1,000 and \$6,000 of bad debt expense, respectively.

Prepaid expenses --- Prepaid expenses consist of amounts paid in advance.

Property and equipment --- Property and equipment are recorded at cost and are depreciated using the straight-line method over the estimated useful lives of the assets, generally three to seven years. The Organization's policy is to capitalize fixed assets with a purchase price of \$5,000 or more. Expenditures for maintenance, repairs and renewals of minor items are charged to operations as incurred. When property and equipment is sold or otherwise disposed of, the asset accounts and related accumulated depreciation account is adjusted and any gain or loss is included in the statement of activities.

Contributed property and equipment is recorded at fair value at the date of donation. When a donor stipulation accompanies the donated asset, the contribution is recorded as support with donor restrictions. Annually, the depreciation portion is released from restriction. In the absence of such stipulations, contributions of property and equipment are recorded as support without donor restrictions.

Impairment of long-lived assets --- The Organization continually evaluates whether current events or circumstances warrant adjustments to the carrying value or estimated useful lives of fixed assets in accordance with the provisions of ASC 360-10-05, *Impairment or Disposals of Long-Lived Assets*.

Revenue and support recognition ---

Government grants --- Government grant funds are recognized as conditional contributions which contain both a barrier and right of return of the assets. Various grants are paid using a cost-reimbursement model, whereas the Organization recognizes revenue when services are performed and bills for services after service delivery. Other grants contain the ability to access funds in advance. Revenue from these grants is recognized when services have been performed. The terms of the grants specify that the Organization must incur certain qualifying expenses (or costs) in compliance with rules and regulations established by Federal and State governments, through the Office of Management and Budget and their cognizant agency. Any unused assets are forfeited, and any unallowed costs are required to be refunded.

Contributions --- Contributions, including unconditional promises to give, are recorded when received. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give are recorded at their net realizable value, using interest rates consistent with unsecured individual credit rates applicable to the years in which the promises to give are to be received.

Conference and special events --- Revenue received in advance of events is accounted for as deferred revenue in the statement of financial position.

AUTISM NEW JERSEY, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2025 AND 2024 (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Revenue and support recognition (cont.) ---

Program service fees --- To the extent that program service fees contain both a barrier of entry and right of return of the asset, the Organization recognizes the revenue in the statements of activities to the extent that expenses have been incurred for the purpose specified by the grantor during the period. Program service fees without such stipulations are treated as contributions or are recognized at the time of service delivery. In applying these concepts, the legal and contractual requirements of each individual program are used as a guideline.

Membership dues --- Revenues from membership dues are recognized ratably over the membership period. Revenues from membership dues received in advance are deferred until earned and reflected as deferred revenue in the statement of financial position.

Non-cash contributions --- The Organization discloses all contributed goods and services regardless of whether the goods and/or services received are recognized as revenue in the financial statements. Items sold to the public or used in fundraising are reported as revenue at the cash value received in the exchange at the time of sale, with the resulting non-operating gain or loss being the difference between the fair value received from the donor and the cash received at the time of the sale. Alternatively, if a nonfinancial asset is used internally and otherwise not sold, the revenue is offset by the asset or related expense.

Income taxes --- The Organization is a not-for-profit organization described under Section 501(c)(3) of the Internal Revenue Code (“I.R.C.”) and is therefore exempt from federal income taxes under Section 501(a) of the I.R.C. The Organization is also exempt under Title 15 of the State of New Jersey *Corporations and Associations Not for Profit Act*. Accordingly, no provision for Federal or State income taxes has been presented in the accompanying financial statements.

The Organization adheres to FASB ASC Topic 740, *Income Taxes*, which provides guidance and clarification on accounting for uncertainty in income taxes recognized in the Organization’s financial statements. The guidance prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return, and provides guidance on de-recognition, classification, interest and penalties, disclosures and transition. For the year ended June 30, 2025, the Organization has no material uncertain tax positions to be accounted for in the financial statements.

Annually, the Organization files a federal informational tax return with the United States Internal Revenue Service. The Organization also files charities registrations in the various states where they solicit contributions. The Organization is subject to tax examinations generally for three years since their latest filing.

Use of estimates --- The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

AUTISM NEW JERSEY, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2025 AND 2024 (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Advertising expenses --- The Organization expenses costs of advertising when incurred. Total advertising costs for the years ended June 30, 2025 and 2024 was \$21,935 and \$16,812, respectively.

Functional allocation of expenses --- Expenses are charged to the program or supporting service based on direct expenditures incurred. Any program or supporting service expenditure not directly chargeable is allocated based on an indirect cost pool that is reasonable and consistently applied. Program expenses are those related to the Organization's autism services. Management and general relate to administrative expenses related to those programs. Fundraising includes direct costs of cultivating donors. Allocated indirect expenditures include salaries and related payroll expenses, which are allocated on the basis of estimates of time and effort, supported by labor distribution reports, time sheets and time analysis. The direct and indirect labor hours cost pool serves as the basis for allocating all other indirect expenses.

Leases ---

Recognition: Pursuant to ASU 842, the Organization recognizes a right-of-use asset and lease liability for only long-term leases based on the present value of future lease payments. In order to identify if a lease exists, lease agreements are evaluated by the Organization on an annual basis to ensure that the contract conveys the right to control the use of specific identified property, plant or equipment. When an individual identified asset is not identified or may otherwise be replaced by the owner (such as a postage machine), lease reporting is not required. Dependent on various factors as specified in the codification, finance leases are segregated from operating leases and further segregated by class of assets when they exist.

Present value calculation (interest rate): When there is no implied interest rate contained within the contract and the Organization's incremental borrowing rate cannot be readily determined for that specific asset class, the Organization uses the U.S. Treasury Rate as the basis for determining the incremental borrowing rate required to calculate the net present value of the operating lease right of use assets and corresponding operating lease liabilities.

3. RISKS AND UNCERTAINTIES

Arising from cash deposits in excess of insured limits: The Organization maintains its cash in bank deposit accounts. During the year, cash balances can exceed federally insured limits of \$250,000.

Investments: Investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect investment assets reported in the Statement of Financial Position.

Funding dependence: Approximately 46% and 44% of the funding for the Organization came from federal and state assistance in 2025 and 2024, respectively. This funding is dependent upon monies from state funding programs and, accordingly, there is no guarantee that such funding will continue.

Grant contract vulnerability: The operations of the Organization are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by such agencies which could have a direct and material effect on the Organization.

AUTISM NEW JERSEY, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2025 AND 2024 (CONTINUED)

4. FAIR VALUE OF FINANCIAL INSTRUMENTS

The following descriptions of the valuation techniques applied to the Organization's major categories of assets measured at fair value on a recurring basis:

Fixed income: Investments in fixed income holdings are valued based on market data and/or quoted market prices from active markets.

Equities: Valued based on market data and/or quoted market prices from active markets.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs.

The following tables present the Organization's financial assets which are measured and recorded at fair value on a recurring basis as of June 30, 2025 and 2024.

	2025	2024
	Level 1	Level 1
Fixed income	\$ 590,132	\$ 983,462
United States equities	331,243	944,378
International equities	120,137	-
Emerging markets equities	27,892	-
Total investments	<u>\$ 1,069,404</u>	<u>\$ 1,927,840</u>

5. INVESTMENTS

The cost basis and estimated fair value of investments by the Organization at June 30, 2025 and 2024 are as follows:

<u>June 30, 2025</u>	Cost	Gross unrealized holdings gains	Gross unrealized holdings losses	Estimated Fair Value
Fixed income	\$ 649,210	\$ -	\$ (59,078)	\$ 590,132
United States equities	230,934	108,945	(8,636)	331,243
International equities	84,865	35,272	-	120,137
Emerging markets equities	22,056	5,836	-	27,892
Total	<u>\$ 987,065</u>	<u>\$ 150,053</u>	<u>\$ 67,714</u>	<u>\$ 1,069,404</u>

<u>June 30, 2024</u>	Cost	Gross unrealized holdings gains	Gross unrealized holdings losses	Estimated Fair Value
Fixed income	\$ 1,155,414	\$ -	\$ 171,952	\$ 983,462
Equities	652,901	297,835	6,358	944,378
Total	<u>\$ 1,808,315</u>	<u>\$ 297,835</u>	<u>\$ 178,310</u>	<u>\$ 1,927,840</u>

AUTISM NEW JERSEY, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2025 AND 2024 (CONTINUED)

5. INVESTMENTS (CONT.)

The composition of investment returns included in net assets in the statement of activities for the years ended June 30, 2025 and 2024 is as follows:

	<u>2025</u>	<u>2024</u>
Interest and dividend income	\$ 60,847	\$ 68,559
Realized gains	126,553	58,726
Investment fees	(14,608)	(13,153)
Change in net unrealized (losses) gains	(32,490)	108,053
Total	<u>\$ 140,302</u>	<u>\$ 222,185</u>

6. PREPAID EXPENSES

Prepaid expenses consisted of the following as of June 30, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Insurance	\$ 13,031	\$ 13,168
Information technology	17,412	12,354
Occupancy	15,020	11,768
Membership	34,584	13,530
Total	<u>\$ 80,047</u>	<u>\$ 50,820</u>

7. PROPERTY AND EQUIPMENT

A summary of the Organization's property and equipment as of June 30, 2025 and 2024 are as follows:

	<u>2025</u>	<u>2024</u>
Equipment	\$ 67,803	\$ 67,803
Furniture	18,550	-
Website development	77,700	13,950
Total	164,053	81,753
Less: accumulated depreciation	70,876	65,629
Total	<u>\$ 93,177</u>	<u>\$ 16,124</u>

The total depreciation expense charged to operations for the years ended June 30, 2025 and 2024 was \$5,246 and \$4,324 respectively.

8. DEFERRED REVENUE

Deferred revenue consisted of the following at June 30, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Fundraising events	\$ 24,044	\$ 40,425
Memberships	11,929	18,017
Conferences	171,775	106,900
Total	<u>\$ 207,746</u>	<u>\$ 165,342</u>

AUTISM NEW JERSEY, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2025 AND 2024 (CONTINUED)

9. LEASES

Operating leases --- The Organization leases a building which expires on November 30, 2031. The contract details escalation clauses for taxes and other building operating expenses. The discount rate determined by management on the building lease was 3.63%. Other leases held by the Organization have been determined to be immaterial to the financial statements as a whole.

As of June 30, 2025, the Organization recorded operating lease right of use assets in the amount of \$569,242. As of June 30, 2025, accumulated amortization on those assets amounted to \$96,024.

The components of operating lease expenses for the Organization for the year ended June 30, 2025 are as follows:

	<u>2025</u>	<u>2024</u>
Amortization of right-of-use assets	\$ 64,533	\$ 56,924
Interest on lease liabilities	18,696	10,124
Total operating lease costs	<u>\$ 83,229</u>	<u>\$ 67,048</u>

Future minimum lease payments under non-cancellable operating leases as of June 30, 2025, are as follows:

June 30, 2026	<u>\$ 62,670</u>
Total current portion	<u>\$ 62,670</u>
June 30, 2027	66,994
June 30, 2028	71,530
June 30, 2029	76,284
June 30, 2030	81,267
June 30, 2031	86,488
June 30, 2032	37,911
Total long-term liabilities	<u>\$ 420,474</u>
Total future minimum lease payments	\$ 543,978
Less imputed interest	(60,834)
Total	<u>\$ 483,144</u>

10. NON-CASH CONTRIBUTIONS

Various non-cash items are donated to the Organization annually. Amounts used internally, are reflected in revenue as non-cash contributions on the Statement of Activities and in expenses on the Statement of Functional Expenses in the following categories. Total non-cash contributions for the years ended June 30, 2025 and 2024 were:

<u>Functional Classification</u>	<u>Natural Classification</u>	<u>2025</u>	<u>2024</u>
Fundraising	Event expenses	<u>\$ 236,406</u>	<u>\$ 184,097</u>

AUTISM NEW JERSEY, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2025 AND 2024 (CONTINUED)

11. FRINGE BENEFITS

The Organization's fringe benefit package is offered to all full-time employees who are regularly scheduled to work at least twenty-five (25) hours per week. These benefits include medical insurance, dental insurance, prescription drug plan, group term life insurance and long-term disability. For the years ended June 30, 2025 and 2024, total benefits expenses incurred by the Organization were \$117,086 and \$79,422 respectively.

The Organization maintains a Simple IRA plan (the "Plan"), that covers all employees who have attained the age of 18 years and who have completed two months of service. The Plan provides that eligible employees may defer payment of taxes on a portion of their salary as allowed by Section 408(p) of the Internal Revenue Code. The employer's matching contributions are equal to 100% of the participant's elective deferrals up to 3% of the employee's eligible compensation. For the years ended June 30, 2025 and 2024, retirement plan expenses were \$45,637 and \$32,059.

12. LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Organization has in place material long-term contractual commitments, detailed in Note 9. Total annual expenditures from those contracts are included in the general expenditures of the Organization.

Management anticipates meeting general expenditures within one year of the date of the statement of financial position with the funding provided by anticipated contributions from the general public and government grant funds.

The following reflects the Organization's financial assets as of June 30, 2025 and 2024, reduced by amounts not available for general use:

	<u>2025</u>	<u>2024</u>
Financial assets at year-end	\$ 2,551,800	\$ 2,832,306
Less those unavailable for general expenditures within one year, due to:		
Prepaid expenses	<u>80,047</u>	<u>50,820</u>
Financial assets available to meet cash needs for general expenditure within one year	<u>\$ 2,471,753</u>	<u>\$ 2,781,486</u>

13. SUBSEQUENT EVENTS

Management has evaluated subsequent events through November 7, 2025, the date on which the financial statements were available to be issued and have determined that there are no subsequent events that require disclosure.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Trustees and Management of
Autism New Jersey, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standard* issued by the Comptroller General of the United States, the financial statements of Autism New Jersey, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 7, 2025.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Autism New Jersey, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Autism New Jersey, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Autism New Jersey, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Cullari Caruso LLC

Fairfield, New Jersey
November 7, 2025

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY NEW JERSEY 15-08-OMB,
SINGLE AUDIT POLICY FOR RECIPIENTS OF FEDERAL GRANTS, STATE GRANTS AND STATE AID

To the Board of Trustees
Autism New Jersey, Inc.

Report on Compliance for Each Major State Program

Opinion on Each Major State Program

We have audited Autism New Jersey, Inc.'s, compliance with the types of compliance requirements identified as subject to audit in the State of New Jersey *OMB Compliance Supplement* that could have a direct and material effect on each of Autism New Jersey, Inc.'s major state programs for the year ended June 30, 2025. Autism New Jersey, Inc.'s major state programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Autism New Jersey, Inc., complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major state programs for the year ended June 30, 2025.

Basis for Opinion on Each Major State Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and the audit requirements of The State of New Jersey 15-08-OMB (Office of Management and Budget), *Single Audit Policy for Recipients of Federal Grants, State Grants, and State Aid*. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Autism New Jersey, Inc., and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major state program. Our audit does not provide a legal determination of Autism New Jersey, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Autism New Jersey, Inc.'s state programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Autism New Jersey, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and New Jersey 15-08-OMB, will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Autism New Jersey, Inc.'s compliance with the requirements of each major state program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and New Jersey 15-08-OMB, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Autism New Jersey, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Autism New Jersey, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with New Jersey 15-08-OMB, but not for the purpose of expressing an opinion on the effectiveness of Autism New Jersey, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Report on Internal Control over Compliance (cont.)

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of New Jersey 15-08-OMB. Accordingly, this report is not suitable for any other purpose.

AUTISM NEW JERSEY, INC.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND STATE FINANCIAL ASSISTANCE FOR THE YEAR ENDED JUNE 30, 2025

1. BASIS OF PRESENTATION

The accompanying schedules of federal awards and state financial assistance presents the federal and state grant activity of Autism New Jersey, Inc., and are presented on the accrual basis of accounting. The information in the schedules are presented in accordance with requirements of *New Jersey 15-08-OMB, Government Audit Standards, Single Audit Policy for Recipients of Federal Grants, State Grants, and State Aid*. Therefore, some amounts presented in these schedules may differ from amounts presented in, or used in the preparation of, the basic financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying schedules of expenditures of federal awards and state financial assistance present the federal and state grant activity for Autism New Jersey, Inc, Inc. and are presented on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in New Jersey 15-08-OMB, if applicable, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

The Organization has not elected to use the 10-percent de minimus indirect cost rate allowed under New Jersey 15-08-OMB.

3. YELLOW BOOK AND SINGLE AUDIT POLICY

The State of New Jersey requires all organizations that disburse federal grant, state grant or state aid funds to recipients that expend \$750,000 or more in federal or state financial assistance within their fiscal year to have annual single audits or program-specific audits performed in accordance with the Uniform Guidance and New Jersey 15-08-OMB.

All organizations that disburse federal grant, state grant or state aid funds to recipients that expend less than \$750,000 in federal or state financial assistance within their fiscal year, but expend \$100,000 or more in state and/or federal financial assistance within their fiscal year must have either a financial statement audit performed in accordance with Government Auditing Standards (Yellow Book) or a program-specific audit performed in accordance the Uniform Guidance.

In 2024, New Jersey 25-12-OMB superseded New Jersey 15-08-OMB and followed the changes made to Title 2 of the Code of Federal Regulations, also known as the “Uniform Guidance”. Among other items, for federal and state awards issued on or after October 1, 2024, this guidance increases the single audit expenditure threshold from \$750,000 to \$1,000,000. The new single audit expenditure threshold is applicable for recipients expending federal funds or state funds of \$1,000,000 or greater during any fiscal period beginning after October 1, 2024.
